

# Try again

## Strophe 1:

Facing giant mountain,  
looking at the top.  
Don't know how to do it.  
Or, shall I really stop.

## Strophe 2:

If you wanna do it,  
Just to be strong.  
Never doubt the power,  
Just going on.

## Refrain:

Try again  
flying to the wide sky.  
Don't give up,  
Zeppelin, fly high.
